

## OVERVIEW

Major League Baseball® PITCH, HIT & RUN™ provides youngsters across the country an opportunity to participate in an exciting baseball/softball skills competition. This national initiative gives boys and girls, ages 7-14, the chance to showcase their pitching, hitting and running abilities. **Boys and girls compete separately at all levels of competition.**

Major League Baseball® PITCH, HIT & RUN™ is intended to encourage youth participation and emphasize the "FUN" element of baseball/softball. Since there is NO registration fee, everyone has the opportunity to participate.

Major League Baseball® PITCH, HIT & RUN™ tests three of the most fundamental aspects of baseball/softball - pitching, hitting and running.

**PITCH:** Participant is tested throwing strikes to a designated "Strike Zone" target.

**HIT:** Participant hits a ball off a stationary tee for distance and accuracy.

**RUN:** Participant is timed, starting from second base, touching third then touching home plate.

All of the events are individually scored and converted to a total point score through the use of conversion tables.

Participants will compete in each of the three components of Major League Baseball® PITCH, HIT & RUN™ and accumulate a total score based on his/her performance.

## LEVELS OF COMPETITION

Major League Baseball® PITCH, HIT & RUN™ is a national grassroots program that has four levels of competition - Local, Sectional, Team Championship and National Finals.

The first level is of a **LOCAL** scope. Everyone must participate in a local competition in order to advance to the higher levels. Champions at the local level advance to a **SECTIONAL** Competition. At this level, the Sectional All-Around Champions become eligible to advance to the **TEAM CHAMPIONSHIPS**, which are held during June in all 30 Major League Baseball® markets. The culmination occurs at the **NATIONAL FINALS**, held at the 2014 MLB® All-Star Week™.

## HOW TO ADVANCE

Each youngster **MUST** first participate at a local competition. The 1st Place All-Around, Pitching, Hitting and Running Champions in each age and gender group advance to the Sectional competition.

At the Sectional competition, the youngster must be a 1st Place All-Around Champion in his/her age/gender group in order to become eligible to advance to the Team Championship. The Sectional All-Around Champions' scores are compared with the other Sectional Champions' scores in that respective MLB® team market. The Top 3 participants in each age and gender group advance to the Team Championship. The Sectional Champion does NOT automatically advance to the Team Championship.

After the Team Championships, the All-Around Champions in each age and gender group are ranked nationally by total score. The champions' scores from all 30 team markets are compared and the top scorers in each age and gender group nationwide advance to the National Finals.
